Mayra Iniguez

LMFT, EMDR, CSAT

With years of experience as a Clinical Director in treatment centers and mental health facilities, I've seen firsthand the challenges organizations face—staffing issues, high client discharge rates, inefficiencies, and low employee morale.

My passion is helping organizations like yours restore balance, strengthen leadership, and create a thriving work environment. I work closely with staff and leadership teams to identify roadblocks and implement solutions that enhance team dynamics, patient care, and overall efficiency. Together, we can ensure your organization operates at its highest potential.

COUNSELING & WELLNESS CENTER

Organizational Clinical Consultant

What is an Organizational Clinical Consultant?

An **Organizational Clinical Consultant** is a specialist who brings psychological and clinical expertise to help organizations function more effectively.

This role is especially valuable in healthcare, behavioral health, and treatment settings, where **optimizing workplace culture**, staff performance, leadership effectiveness, and **patient care outcomes** is essential.

Helping Your Organization Thrive

- ✓ **Enhancing Workplace Culture** – Create a positive, motivated, and cohesive work environment.
- ✓ **Improving Employee Retention** – Reduce turnover by increasing job satisfaction and addressing staffing challenges.
- ✓ **Boosting Productivity & Efficiency** – Streamline operations and enhance overall performance.
- ✓ **Reducing Client Dropout Rates** – Improve engagement and care strategies to minimize early discharges.

- ✓ **Strengthening Leadership & Team Dynamics** – Enhance communication, decision-making, and collaboration within leadership teams.
- ✓ **Resolving Organizational Challenges** – Identify and address inefficiencies that hinder growth and success.
- ✓ **Enhancing Employee Morale** – Foster a workplace where employees feel valued, supported, and motivated.

"An organization, no matter how well designed, is only as good as the people who live and work in it."
